### **Transportation**

Transportation to and from Perth domestic and international airports is provided by taxis, Uber/Ola etc, rental cars & bus. However the bus service is only between the domestic airport and the city busport.

Public transportation between the Meeting House and central Perth is available by bus. There is a journey planner of the website [transperth.wa.gov.au](http://transperth.wa.gov.au) Ask for the Perth College bus stop (second stop after the Walcott Street traffic lights). After alighting, walk along Lawley Crescent to Clifton Crescent at the roundabout. Turn left and the Meeting House is the third house down on the right hand side.

Arrivals at the East Perth Rail Terminal must use taxis or Uber/Ola (recommended as it is not too far from the Meeting House) or take the local train into Perth and catch a bus out as described above. No metropolitan bus service is provided from the rail terminal.

Taxis are generally convenient, dependable and inexpensive. You can access Swan Taxis 24 hrs a day on 13 1330. Uber/Ola also available.

### **Welcoming**

There is no warden in residence at the Meeting House. Arrangements for airport, bus depot or railway pickup, receiving keys to access the Meeting House, general orientation, etc. should be made by visitors directly with the Hospitality Committee.
